## **Anything else you would like to mention about yourself:**

I am a soft-spoken and kind-hearted person. I love cooking, listening to kirtans, lectures, book readings, and travelling. My father and mother, and brother and brother's wife (bhabhi) all are also connected to ISKCON Jhansi and doing regularly chanting. We are agricultural based family. Simple living with spiritual goal is what I follow in my life. Things I care about most (in decreasing order) are Spiritual goal, Health, Character, Material goals.

## **Looking for**

Non-Drinking, Non-Smoking, Vegetarian Girl having deep faith in Indian culture. She should be religious. I appreciate when my Jevan Sathi is authentic, mature, and self-aware, who share some similarity in the values and outlook toward life and goals.
